Enforcement: The June schedules, showing enforcement action in the National Park, had not yet been published.

Members noted the following in respect of enforcement issues:

- a letter from a resident of Shelley Lane concerning the ongoing noise issues at Ower Shooting Ground (agreed, advise correspondent that the Council is aware of the issue and has notified Environmental Health at NFDC).
- a note from NFDC confirming that the banner outside McDonalds Restaurant at Ower had been removed and that discussions were ongoing about removal of the scaffold frame.

36. MEMBERS' REPORTS

Councillor Moriarty: A presentation on flooding at a recent New Forest Consultative Panel meeting had revealed no record of any flooding in Copythorne during the December 2013 events. The report (presented by the Environment Agency) to the Panel showed five properties in Woodlands (Ashurst) affected by river flooding together with a small number in Brockenhurst, Beaulieu and Lymington. This appeared to repeat the erroneous press release two months previously stating that only ten properties had been flooded in the New Forest. Councillor Goodwin commented that a principal concern was that no agency had formally requested details of flooding incidents.

Councillor James: A resident had enquired about responsibility for removal of Japanese Knotweed. Agreed, landowner's responsibility.
A section of fencing along the south side of the motorway on footpath 9 required attention. Agreed, refer to Rights of Way.

Councillor Goodwin: Himalayan Balsam present in Winsor Road near Winsor Lane junction. Agreed, advise Catherine Chatters.
