**127. PARKING AT BARTLEY JUNIOR SCHOOL, WINSOR ROAD**

A letter from David Kitson, HCC, confirmed that the County Council's occupation of part of the school buildings and site for office space would continue. As a result no additional parking spaces would become available in the foreseeable future. Having reviewed the car parking and access arrangements, there was not a priority for investment in terms of road safety or safe routes to schools as there were two parking areas available in close proximity with two crossing patrols. Additional on-site parking might also risk the continuing provision of a crossing patrol. The Headteacher would continue to encourage parents to walk their children to school where possible and take due care in dropping off and collecting them from school.

Members expressed disappointment at the response but felt that the Parish Council had taken all possible steps to improve the safety situation at the school.
