A local resident enquired about progress with the Council's flooding investigations. Councillor Goodwin reported that, for the Cadnam area, the focus was on the condition and maintenance of the culvert under the motorway. It also appeared that the Pollards Moor Road pumping station had not failed as originally reported. A further update would be given at the Council meeting on 25 February.

150. AFFORDABLE HOUSING

Further consideration was given to the format for the proposed housing needs survey. A sample survey form had been circulated which members agreed to adopt subject to:
