Enforcement: An e-mail from Paul Hocking, NPA, explained the closure of enforcement case EN/06/0145 (Caravan in field off Cadnam Lane), as discussed at the 9 August meeting. Members also noted that the suggested meeting with Cadnam Lane landowners was not now proceeding as residents were not in favour of the meeting.

Decisions: Members noted recent decisions as shown in the list tabled at the meeting (appendix 1 in the minute book).

69. LAND ADJACENT TO COPPERFIELD, POLLARDS MOOR ROAD

A letter from the NPA referred to the imminent release of the soil survey results for this site. Prior to formal publication, the intention was to hold a meeting with residents, the parish council and district/county councillors to share the results and answer questions. The meeting would take place at Lymington on Tuesday 20 September at 2 pm. A report would then be presented to the Planning Development Control Committee on 18 October to consider the way forward.
 Agreed, that the Chairman and Councillor Moriarty represent the Council at the 20 September meeting.

70. SWITCHOVER TO DIGITAL TV

Members discussed the arrangements for the visit of Bill Taylor, Digital UK, to the Planning meeting on 11 October to make a presentation on this topic. The meeting was being publicised in Stanleys Own and posters would be placed on notice boards nearer the date.

71. GRIT BOX AT JUNCTION OF WINSOR ROAD AND POLLARDS MOOR ROAD

An e-mail from the residents of Spring Cottage, Winsor Road acknowledged the provision of a grit box at the junction opposite their property. However, the residents were concerned that the local community would be responsible for gritting the junction in icy weather and that, in this context, the highway authority was failing in its duty of care in maintaining a safe junction. Members supported this view and agreed that the matter should be pursued further with the highway authority through Councillor Heron.

Councillor Reilly also agreed to recover the snow shovel recently supplied to Cadnam Post Office.

72. OTHER MATTERS

Members noted the following:

- a change of address for the New Forest National Park Authority from Monday 7 November 2011 (moving to shared office accommodation with NFDC at Lymington Town Hall)
- an agenda for the meeting of the Association of Local Councils in the New Forest District on 22 September at Hythe (Councillors Lady Kara Hawks & Reilly and the Clerk to attend)
- a New Forest Natural Environment workshop on Tuesday 20 September (Brockenhurst Village Hall, 2 pm) (Councillor Goodwin to attend)
