

COPYTHORNE PARISH COUNCIL MEETING – FEBRUARY 8TH 2022

Item 9 - To receive a Climate Emergency updating report

The launch date for Phase 1 of the campaign is:

Thursday 10th March, 7pm in the Parish Hall

Preparations are well under way for this event. The Greening Gnome has been making appearances at community groups and in local businesses advertising this campaign and the launch date.

The launch will include stands relating to the campaign as well as representatives from various community groups sharing their ideas on sustainability activities. This event will be hosted by Karen Caton.

Next steps

- Posters will be placed around the Parish advertising the launch, including being placed on the notice boards.
- Invites to the launch will be sent to Councillors and some local businesses
- Confirmation of volunteers willing to distribute the challenge cards following the launch will be sought.
- The Parish will be divided into small areas ready for distribution of the challenge cards by the volunteers
