A Big 'Thank you'

Many people within our Parish voluntarily help keep our community safe, neat, and tidy by litter picking, clearing pathways, cutting back hedges, and clearing out ditches.

We would like to say thank you to every one of you who help in some way in making our community the beautiful place it is.

Are you on the Local Heritage List?

The New Forest National Park have a Local List of non-designated heritage assets which make a positive contribution to the character of the New Forest, its communities and local heritage. In the Parish of Copythorne (that part within the National Park) there are over 160 buildings/assets already on the Local List.

The National Park are looking to add to this by asking the community to nominate assets that are not already on the Local List.

An asset can be a building, archaeological site, monument, landscape, streetscape (post-box, streetlight, signage etc.) or public work of art that adds character to its location.

More information can be found at <https://www.newforestnpa.gov.uk/planning/conservation-information/buildings-local-interest/> and add click on the Contact Us tab

Affordable Housing in the Parish

LATEST UPDATE

English Rural Housing Association's ("ERHA") online consultation in respect of the land to the rear of The Haywain ended on December 13th 2021.

The documents can still be viewed online via this link:-

<https://copythorne.englishrural.org.uk>

There were just over 40 comments submitted online. ERHA has advised the following in relation to the consultation:-

- Around 500 people visited the consultation website.
- 16 people with a local connection registered an interest in the affordable housing proposed.
- 28 people registered negative comments, representing 6% of visitors to the web site. 7 people left positive comments.

ERHA have added a further section within the headline to the website titled RESPONSE TO YOUR FEEDBACK

<https://copythorne.englishrural.org.uk/response-to-feedback>

where they have left answers to address questions that were repeatedly left by visitors on the web site and trust these will go some way to satisfy most parties.

I will continue to keep the Parish Council and residents informed on any updates received from ERHA.

David Rigby,
Parish Clerk and R.F.O.
