

COPYTHORNE PARISH COUNCIL MEETING – TUESDAY NOVEMBER 12TH 2024

Item 11 – To receive and approve a report on Splitwind Pond Maintenance and Management

Greening Copythorne - Splitwind Pond

Maintenance work was carried out by the Lengthsman on Thursday 17th October 2024. The willow was cut back from the sides of the pond, and the bramble cut down at the back of the pond. The grass in front of the pond was also cut except for an area that has been planted with wild flowers.

We hope to get a portion of the pond cleared this winter as well as plant more wild flowers

Future work

Plant more wild flowers

Remove at least 1/3 of the pond's vegetation (to be done by approved contractors)

Replace the revamped bench

Recommendation

Approve the spending of £50 on seedlings using funds from the 2024/25 Environmental Projects budget.

Cllr. Jackie Rhodes
